1. Praise to God who sent His Spir - it Wing - ing down from heav'n a - bove,
2. Built we then God's ho - ly dwell - ing, Where we gath - ered oft to pray;
3. We have shared His Blood and Bod - y With for - give - ness of our sin,
4. So we praise our God Al - might - y For this an - ni - ver - sa - ry,

Formed in us this con - gre - ga - tion, Bless - ing us with His great love,
As He sent to us our Pas - tors, Shep - herds who would lead the way;
Bap - tized and con - firmed our child - ren, As God's Spir - it works with - in;
Twen - ty - five - years of His good - ness Make our church - 's his - to - ry,

So His vine - yard to in - crease, We be - came the church called Peace;
Gave us teach - ers for our youth, And His word of light and truth,
Help - ing oth - ers know His name, His sal - va - tion to pro - claim,
Guide us 'til our work is done, Ho - ly Spir - it, Fa - ther, Son.

Peace our name, the dove our sign, God's own Spir - it, grace di - vine.
Then with voic - es clear and strong, Filled His house with joy - ful song.
Watch - ing as our faith has grown From the seeds that He has sown.
Bless Peace Lu - ther'n Church, A - men! 'Til Thy king - dom comes a - gain.
